

# Fortune of Year 2025 for People Born in the Year of the Dragon

## **Career Tip: Be Flexible In Your Approach And Avoid Breaking Promises.**

For those born in the Year of the Dragon, the auspicious star "Tian Xi" (Heavenly Joy) will be influencing your fortune this year, so there will be an overall atmosphere of happiness that can dispel a lot of bad luck. As such, you can be considered one of the luckiest signs this year.

Career-wise, you'll be able to adapt and pick up new skills quickly. As long as you can keep working without getting distracted, you will stand out and rise quickly.

However, the inauspicious star "Bing Fu" (Illness Spell) is in your chart, warning that health issues may arise easily this year, and even a slight negligence could lead to numerous illnesses. Therefore, while working hard, you must pay attention to your health and avoid overworking, or you may regret it deeply.

The presence of the inauspicious star "Sui Sha" (Yearly Threat) warns that you'll be watched closely by many powerful enemies this year, so you must remain vigilant to avoid being taken advantage of by those with ulterior motives. Also, remember to keep your promises and fulfill any commitments you've made. You may have to pay a heavy price if you break any promises!

The ones who will be the most helpful to your career this year are those born in the Year of the Rat and the Year of the Rooster. If you can work with them with sincerity, you can achieve great things together.

The south is the most favorable direction for your career this year, and the most favorable career choices for you this year are those associated with the elements "earth" and "metal".

## **Financial Tip: Your Primary Income Source Is Stable, But It's Not A Good Time For Investments.**

For those born in the Year of the Dragon, although your financial fortune is quite prosperous this year, there are still hidden dangers lurking around the corner. Therefore, don't take investments lightly to avoid unexpected losses.

Your regular income source should be quite stable, but it's not a good time for investing or starting a business. Side income sources will be fluctuating, so avoid being greedy for gains to prevent heavy losses.

Due to the inauspicious star "Bing Fu" (Illness Spell), you may have to spend a large sum on medical expenses this year. The most prosperous months for wealth this year are the fifth and seventh months of the lunar calendar.

## **Health Tip: You May Be Prone To Illness. Take Extra Care Of Your Health.**

Those born in the Year of the Dragon will be affected by the inauspicious star "Bing Fu" (Illness Spell) this year, warning of poor health. If not careful, you may easily fall victim to various illnesses or even require hospitalization.

Your heart and lungs are easily damaged this year, and you must take good care of them and not be careless. Try to avoid overwork and catching colds.
