

Fortune of Year 2024 for People Born in the Year of the Snake

Career Tip: Maintain A Low Profile, And Exercise Caution With Your Words And Actions

Those born in the Year of the Snake can anticipate a year filled with both blessings and trials. When things are going well, unexpected complications may surface, and when things seem bleak, they often transform into blessings. Therefore, it's advisable to remain steadfast irrespective of the circumstances and patiently wait for success to unfold. This year, the Unlucky Star "Black Cloud" is in your constellation, indicating potential betrayal. Consequently, you must exercise caution in your words and actions, maintaining a discreet profile to avoid any workplace conflicts. It's also prudent to guard business secrets closely to prevent the negation of your hard work. Interestingly, even though the potential for betrayal is high this year, there's also a strong likelihood of encountering someone who will offer guidance and support. Therefore, fostering connections could be highly beneficial.

This year, the Sun also shines upon you, suggesting that perseverance and dedication to your chosen path can help you surmount any obstacles and achieve remarkable success. However, be wary of potential betrayal from someone close to you. Those born in the Years of the Ox and the Rooster make advantageous career allies. Collaborating with them could ensure a successful outcome. The southwest direction is

auspicious for your career this year, and the most fortunate career choices are those associated with "metal" and "water".

Financial Tip: Monitor Your Expenditures And Remain Vigilant Against Theft

This year, you are quite fortunate in terms of finance. You can look forward to substantial earnings from your primary income source, as well as gains from your investments. Additionally, you may receive occasional bonus income, but it's not something to count on. Be cautious not to squander your wealth throughout the year, or you could easily lose your plentiful earnings. The auspicious star "Heavenly Happiness" shines on you this year, symbolizing weddings or other joyful events in the family, which can be expensive. Plan ahead to prevent overspending. However, be aware that the ominous star, "Robbery Threat", also looms over you this year. Therefore, monitor your assets closely and ensure your doors and windows are securely locked to prevent theft.

Health Tip: Look After Your Heart And Lungs, And Be Vigilant About Infectious Diseases

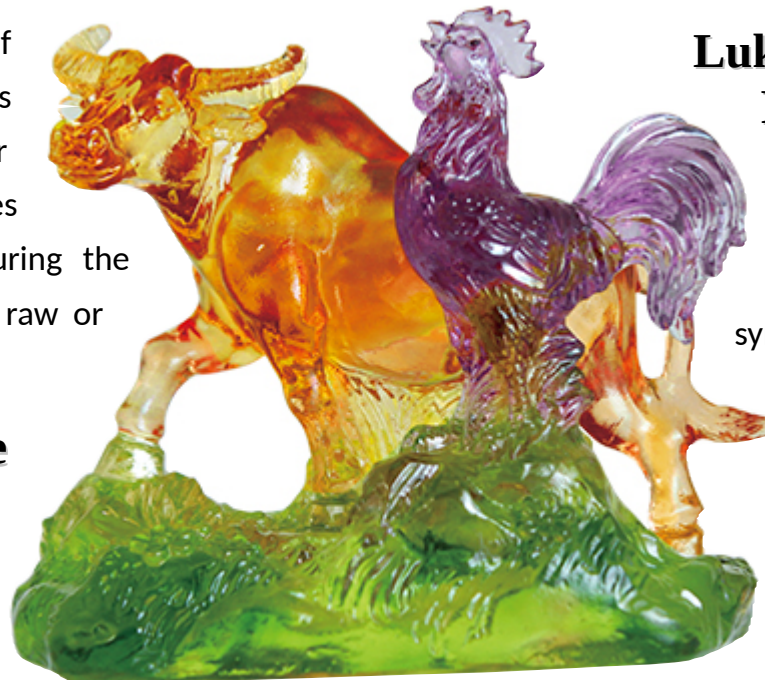

Individuals born in the Year of the Snake are unlikely to encounter significant health problems this year, although they are susceptible to infectious diseases. As such, it's crucial to maintain daily cleanliness and hygiene—after all, prevention is always simpler than treatment.
