

# Fortune of Year 2024 for People Born in the Year of the Tiger

## **Career Tip: Avoid Meddling In Matters That Do Not Concern You And Always Remain Grounded**

Individuals born in the Year of the Tiger are unlikely to face significant misfortunes this year, however, hidden dangers may lurk beneath the seemingly peaceful surface. Caution is advised against any hasty decisions that could lead to failure. The inauspicious "Dog of Heaven" star is in your astrological chart this year, indicating potential conflicts and betrayal in your workplace. If not appropriately addressed, these could negatively impact your future career prospects. It's crucial to remain dedicated and focused on your responsibilities, avoiding involvement in matters that don't concern you. Any attempts to assist others in resolving their issues may inadvertently place you at risk.

This year, you may be vulnerable to scams and financial loss, so avoid being overly trusting and keep your greed in check to prevent significant losses. On a positive note, the auspicious "Travelling Horse" star is also present in your chart this year, suggesting successful business trips. However, remain vigilant against scams during your travels. Those born in the Years of the Snake and the Pig could prove to be beneficial allies in your career. Collaborating with them could be an effective strategy to surmount

any challenges. The northeast direction holds promise for your career this year, and the most fortunate career choices for you would be those associated with "earth" and "water".

## **Financial Tip: Your Secondary Income Streams May Be Unstable. Be Wary Of Fraudulent Schemes**

Your financial prospects aren't particularly notable this year. Fortunately, your primary source of income should remain stable, so with careful budgeting and restraint from unnecessary expenditures, financial stress should be minimal. However, supplementary income streams are less predictable and can yield varying results, so it's advisable to avoid them and resist the temptation to become reliant on them. You're expected to travel quite frequently this year, so be mindful of your spending and always keep a close watch on your possessions and identification. Additionally, be vigilant against scams, particularly during the late autumn and early winter seasons.

## **Health Tip: Look After Your Liver And Lungs. Be Aware That You May Be Susceptible To Headaches And Insomnia**

This year, your health will neither be particularly good nor bad. However, mentally, you may find yourself susceptible to fluctuating

# Fortune of Year 2024 for People Born in the Year of the Tiger

emotions, headaches, and bouts of insomnia. It's important to try and relax, combating feelings of melancholy to avert potential problems down the line. This year, the Unlucky Star "Heavenly Weeping" casts its light upon you, indicating the possibility of accidents and minor injuries. Therefore, be cautious when out and about, prioritizing your safety. Your liver and lungs are particularly susceptible this year, hence it's crucial that you take good care of your health and avoid overexertion. Be vigilant against fires and thefts as the year draws to a close.

## Relationship Tip: Caught Between A Rock And A Hard Place, Progress Seems Unlikely.

This year, anticipate a bustling work schedule that may result in less interaction with friends and family. Your romantic life doesn't appear particularly promising this year. Singles might struggle to encounter potential partners, and those already in relationships could face numerous challenges or even sabotage. Strive to maintain the relationship, or you might find yourself parting ways.

## Lukcycharm: Chariot Of Success

A majestic horse adorned with a crown, one hoof poised on a globe, epitomizes career success and excellence. The formidable, age-old city wall stands as a symbol of security and prosperity. Together, they paint a fortunate tableau of achievement and victory.

Individuals born in the Year of the Tiger may not experience particularly good fortune this year, with potential conflicts at work and financial difficulties on the horizon. To enhance your luck, position the

**Chariot of Success** in the northeast area of your living space or on a desk.
